RE: Crown Castle – Application for Small Wireless Facility on Wood Utility Pole in Western Springs

Dear Marty,

Crown Castle Fiber LLC (“Crown Castle”) submits the enclosed consolidated application for one (1) small wireless facility in the Village of Western Springs right-of-way, in accordance with the recently adopted Illinois Small Wireless Facilities Deployment Act¹ and with federal law.²

Application Enclosures

Included in this application are the following documents:

- A Village of Western Springs Building Permit Application Form
- A Complete drawing plan of the proposal, which includes coordinates of the location, photos of the existing streetlight, and equipment types and model numbers
- A Structural Analysis, which demonstrates that the proposed replacement pole is capable of handling the proposed small cell equipment
- A Certificate of Insurance
- A Cover Letter, List of Facilities, Statement of Compliance, List of GCs, Proof of Permission from ComEd

Below you will also find a summary of information about the proposed installation, a proposed construction start date, and a statement of compliance. Crown Castle understands that the Village of Western Springs has 90 days to review this application, and therefore the proposed construction start date can be moved if necessary.

If, during your review, you require any additional information, please feel free to contact me at (847) 212-9842. Thank you very much for your time and attention.

Sincerely,

Drew Parker
