

Have you been saving Styrofoam to recycle?

The **First Congo Green Team** and the **Village of Western Springs** monthly Styrofoam collections have stalled during this Covid-19 pandemic.

Please visit the village website, www.wsprings.com/calendar, Facebook and Instagram ('Village of Western Springs') for updates on when we will begin again.

Meanwhile, safely collect from your neighbors, take a drive, and here's where you can bring it - 24/7, to outdoor, easy-access bins!

DART CONTAINER (18 miles from WS)
7575 S. Kostner, Chicago
800-248-5960
*I-55 to Cicero South to 76th street East,
just past Kostner to SE corner of Dart building
complex*

DART CONTAINER
(28 miles from WS, but similar travel time)
310 Evergreen Drive, North Aurora
630-896-4631
*I-88 west to exit I-31 south, right/west on
Sullivan Road, turn right/north just over the
tracks on Evergreen Drive to the end.*

Please separate clean and dry food packaging from block foam.
No 'peanuts'—take those to *Pack, Wrap and Send* in Garden Market.

Thank you for your patience as we navigate how to operate safely.
