

TUESDAY TOPICS

September 22, 2020.

Styrofoam Recycling to Resume in October:

- Monthly [Styrofoam collection](#) will resume on the first Saturday in October, at the Recreation Center, from 9 am - 12 noon. Please plan to remain in your car. Volunteers will unload from your trunk, and your boxes and/or bags will be returned to you to reuse or recycle.

Spring Rock Park Tree Survey for Pedestrian Bridge:

- A Tollway field team will be conducting [tree surveys](#) within Spring Rock Park this week, to determine the path layout for the pedestrian bridge. This is for identification only – no tree removals will occur.

47th Street Resurfacing:

- IDOT has started a resurfacing project on 47th Street, from County Line Road through Western Springs. One lane in each direction will remain open during construction, with full road re-opening anticipated in the evenings. Partial sidewalk closures will occur. More information will be posted to the Village [website](#), as it becomes available from IDOT.

Parking Permit Renewals:

- Renewal notices have been mailed out to those with current parking permits for areas along the tracks. The deadline for permit renewal is today -Tuesday, September 22- at 5 pm. Learn more [here](#).

Business News:

- Did you know that the Village maintains an interactive inventory of [available commercial space](#) on the website? There may be a space that's perfect for your business needs!

Village Receives Financial Excellence Award:

- The Government Finance Officers Association awarded a Certificate of Achievement for Financial Excellence to the Village of Western Springs for its [2019 Comprehensive Annual Financial Report](#). This award is meant recognize local governments that prepare comprehensive annual financial reports that evidence the spirit of transparency and full disclosure. This is the 25th consecutive year that Western Springs has received this award. Congratulations to Finance Director Turi and her staff!

Until next week,

Alice Gallagher,
Village President
