# 2022 LEAF PICKUP PROGRAM

The greenest methods of leaf disposal are mowing/mulching and composting. The Village's waste hauler, LRS, collects yard waste in stickered brown bags from April through November.

## **The Village's leaf collection begins on Monday, October 24, 2022**

- **Only leaves** will be collected. Branches, lawn clippings, flowers, or pumpkins will not be accepted.\*
- Do not put leaves in the street before **Friday, October 21**
- To facilitate collection, avoid parking on the streets on weekdays between 6 am – 3 pm.

**Final leaf pickup by the Village begins the week of Monday, November 28**, to allow Public Works to adequately prepare equipment for snow removal.

**Final yard waste pickup by LRS will be on regular collection days during the week of November 28.** Yard waste must be in a stickered brown bag or an LRS yard waste cart.

### Reminders:

- Wolf Road residents from Ogden to 47th Street, and all of Ogden Avenue, should rake leaves to the edge of the curb, and **not** into the gutter.
- Wolf Road from 47th Street to 59th Street, all of Gilbert, and the rest of the Village should rake their leaves into the gutter, avoiding storm drains.
- Timber Trails and Commonwealth are not included in the Village's leaf collection program.

Pickup schedule may be affected by Public Works emergencies and/or snow removal

**Clogged storm drains can result in local street flooding. Avoid raking leaves near storm drains.  
Leaves should not be raked into the street after the final collection week.  
After that, residents will be responsible for leaf disposal via mulching, composting, or other means.**

\*Save pumpkins for a composting event on **Saturday, November 5**. More information is available at [www.wsprings.com](http://www.wsprings.com).
