Harvey Avenue Reconstruction Project Open House Tuesday, March 28, 2023 5:00 PM to 6:30 PM Village Hall Board Room 740 Hillgrove Avenue, Western Springs

March 14, 2023

Dear Resident:

The Village of Western Springs will be reconstructing Harvey Avenue between Hillgrove Avenue and 41st Street this Spring/Summer. The work included in the project includes complete replacement of the street, curb and gutter, driveway aprons, and intersection sidewalk ramps. The new street will be a concrete street. The project will also include the installation of a new storm sewer main and new curb inlets.

A public open house meeting has been scheduled at the date/time listed at the top of this letter. The meeting will be conducted in an open house format and residents may arrive at any time to view exhibits of the improvements and ask questions of the project team. Village Staff and members of the consultant project team from HR Green will be available to answer questions. Residents are encouraged to attend to familiarize themselves with the upcoming project work.

The Village bid the project and the lowest responsive bidder was R.W. Dunteman Co. (Addison, Illinois). Work is expected to begin in early April 2023. The project is expected to be substantially complete in August 2023. Residents are encouraged to visit the project's website at www.wsprings.com/roads (click on Harvey Avenue on the left side of the page) or by scanning the QR code provided at the top of this letter.

Please feel free to contact me with any questions. I can be reached at 708-246-1800 ext. 202 or email me at jkoza@wsprings.com.

Sincerely,
VILLAGE OF WESTERN SPRINGS

Jeff Koza, PE
Director of Engineering Services/Village Engineer
